FOR IMMEDIATE PRESS RELEASE

**MILLATHANE® A DIVISION OF TSE INDUSTRIES INC ANNOUNCES THE RELEASE
OF THEIR NEW “MILLATHANE® ENGINEERING PROPERTIES BULLETIN”**

TSE's Millathane technical team has completed a new "Millathane Engineering Properties Bulletin" using years of dedicated research on **Millathane millable polyurethanes**, their key properties and applications.

The bulletin was designed for Engineers and End Users in search of materials possessing a combination of physical properties not found in natural or other synthetic rubbers. Millathane is a unique product designed for the high performance rubber market.

Test data, methods, analysis, specifications and properties ranging from **Resilience/Damping** to **Mold Shrinkage** are reported.
