**Subject: Millathane® Millable polyurethanes and Thanecure® Dimerized TDI .
REACH status.**

Dear Customer,

We have received a number of material declaration requests from our customers referring to REACH status of our **Millathane® Millable polyurethanes and Thanecure® Dimerized TDI**.

TSE Industries, Inc. confirms that all monomers for our polymer products **Millathane® 26, Millathane® E34, Millathane® E40, Millathane® 55, Millathane® 66 , Millathane® 76, Millathane® 97, Millathane® CM, Millathane® 5004**, and their applicable premilled versions, are preregistered or not subject to REACH. All grades of **Thanecure® Dimerized TDI** are preregistered.

We are committed to comply in every respect to the requirements of REACH and relevant amendments. Should you have any question regarding the content of this letter, or any other REACH related subject, please do not hesitate to contact us.

Radmila Petrovich
EHS Director

A handwritten signature in blue ink, appearing to read "R Petrovich", is written over a light blue horizontal line.
