Mr. Richard Klingel  
President  
TSE Industries, Inc.  
4370 112th Terrace North  
Clearwater, Florida 33762

Dear Mr. Klingel:

Congratulations on TSE Industries, Inc. recently being included in the *Tampa Bay Business Journal's* list of top manufacturers. You are to be commended for building a company that is recognizable within your community. Floridians like you are helping make our state the best place in the world to raise a family, have a great career, and enjoy a life full of opportunity.

We have worked hard to cut taxes, eliminate burdensome regulations, and invest in education so that job creators can succeed in our state. Florida businesses added 14,600 private-sector jobs in January, for a total of 801,100 private-sector jobs created in only four years, and we look forward to seeing even more businesses grow and create jobs for families across the state. Our "KEEP FLORIDA WORKING" budget recommendations, which include an estimated \$673 million in ongoing tax cuts each year, along with Florida's exceptional economic turnaround prove we are enacting policies to help businesses grow and giving families opportunities to achieve their dreams in Florida.

Thank you for helping make sure every family has the opportunity to succeed here in the Sunshine State. Please let me know your ideas for how we can continue making our state the best place in the world to grow a business, a career, and a family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rick Scott".
