Mr. Richard K. Klingel
President
TSE Industries, Inc.
4370 112th Terrace North
Clearwater, Florida 33762

Dear Mr. Klingel:

Congratulations on TSE Industries, Inc. recently being included in the *Tampa Bay Business Journal's* list of largest private companies. Businesses provide opportunities for families to live their dreams in our state. Floridians like you are helping make our state the best place in the world to raise a family, have a great career, and enjoy a life full of opportunity.

Florida businesses have created over one million private-sector jobs since December 2010, that's more than one million jobs in just five years. Thanks to our focus on cutting taxes and making it easier for job creators to succeed, our businesses are creating jobs faster than we ever expected. We look forward to cutting \$1 billion in taxes and creating the Florida Enterprise Fund so we can continue to diversify our economy to make Florida first for job growth so families have more opportunities in Florida than in any other state.

Thank you for helping make sure every family has the opportunity to succeed here in the Sunshine State. Please let me know your ideas for how we can continue making our state the best place in the world to grow a business, a career, and a family.

Sincerely,
