**Subject: Presence of Substance of Very High Concern in Millathane® Products**

Dear Customer,

We have received a number of material declaration requests from our customers referring to REACH and the potential presence of Substances of Very High Concern (SVHC).

Tertiary Butyl Phenol, CAS# 98-54-4 is the listed on the Candidate List of Substances of Very High Concern Updated on 07/16/2019. Based on the most recent test results, the following TSE Industries, Inc. Millathane® Millable polyurethane products contain Tertiary Butyl Phenol:

| <b>Product</b>                                  | <b>% (W/W)</b> |
|---|----------------|
| <b>Millathane®76, Millathane®76 Premilled</b>   | <b>&lt;0.5</b> |
| <b>Millathane®55, Millathane®55 Premilled</b>   | <b>&lt;0.5</b> |
| <b>Millathane®E34, Millathane®E34 Premilled</b> | <b>&lt;0.5</b> |
| <b>Millathane®HT, Millathane®HT Premilled</b>   | <b>&lt;0.5</b> |

TSE Industries, Inc confirms that we do not add any substances listed in the Candidate List of Substances of Very High Concern Updated on 6/25/20 to the remaining **Millathane® Millable polyurethanes.**

We are committed to comply in every respect to the requirements of REACH and relevant amendments. Should you have any question regarding the content of this letter, or any other REACH related subject, please do not hesitate to contact us.
